

# Japan-Caribbean Climate Change Partnership

Empowered lives.  
Resilient nations.

**Project Title:** Acquisition of a Water Truck for Post Disaster Use in Vulnerable Communities

**Project Country:** Dominica

**Responsible Organization:** Office of Disaster Management

**Proposed Budget (USD):** JCCCP Grant Funding: \$147,037.03  
In Kind Contributions: \$2,000  
Total Budget: \$149,037.03

## Project Objective

The overall objective is to increase water resources to communities that have barriers to access water during climate related hazard events.

## Selected Focal Areas

This project will incorporate the following focal area identified under Outcome 2 of J-C CCP:

- Water Resource Management
- Community Based Climate Smart Resilient Infrastructure

## Targeted Stakeholder Groups

- All of Dominica with a focus on the most vulnerable parishes including St Andrew, St David, St Paul, St Patrick and St Joseph

## Project Activities

- Procurement of a water truck
