

# **Ministry of Environment and Natural Resources (Country Work-plan)**

## **Inception Workshop - Integrating Agriculture into NAPs**

*“Safeguarding livelihoods and promoting resilience in NAPs”*

# Introduction

- Ministry of Environment and Natural Resources (MENR) – national focal point to UNFCCC and other Environmental Diplomacy
- Climate Change Directorate (CCD) – Lead Agency on national climate change policy formulation, plans and actions.

# Kenya Response to Climate Change

- National Climate Change Response Strategy (NCCRS 2010);
- National Climate Change Action Plan ( NCCAP 2013–2017);
- National Adaptation Plan (NAP 2016);
- Climate Change Act (2016);
- Climate Change Framework Policy (in Cabinet);
- National Determined Contribution (NDC) to UNFCCC – July 2015

# Priority Adaptation Actions in NCCAP, NAP & NDC

- Presentation by Stephen King'uyu

# Integrating Agriculture into NAPs

- Implemented jointly by MALF and MENR
- Executing Partners – UNDP and FAO
- Funding support from the Federal Republic of Germany, Ministry for the Environment, Nature Conservation, Building and Nuclear Safety
- Goal - integrate climate change to agriculture-based livelihoods within existing national planning and budgeting processes

# MENR-UNDP Country Work plan

## Outcome 1: Strengthen technical and capacity institutions on NAP (USD 193,010)
